COUNTY OF SANTA CLARA – SERVICE AGREEMENT

SECTION IV: DETERMINATION OF RELATIONSHIP STATUS

Dependent/Independent status is an important relationship distinction. It determines the contractor's eligibility for Medicare and Social Security, Public Employees' Retirement System benefits, and other benefits and affects how the contractor files tax returns and the contractor's responsibility for various federal and state taxes.

Questionnaire to be Completed by Contracting Department to Determine Relationship Status of Contractor

Supervision: Will the County have the right to tell the contractor how to do the work, when to arrive or leave work, or when to take breaks? Do you have other employees performing similar work with a similar degree of supervision? **If the answer to any of these questions is YES, select YES from the dropdown.** No

Training: Will the County instruct the contractor on how to do the job or pay for external training? No

Incomplete Work: Will the Contractor be able to resign or terminate the contract without being held either financially or legally liable for unfinished work? Yes

Place of Work/Tools: Will the County provide the Contractor with a place to work at a County location and tools to do the job, i.e. computers, telephones, etc? No

Length of Relationship: When the Contractor is hired to complete ongoing departmental duties or functions— **answer YES**. When the contractor is hired to complete a specific project that was not the regular tasks performed by County employees before—**answer NO**. No

Other Customers: Does the County prevent the Contractor from performing similar services for other customers, either due to the amount of work (full-time), or by contractual provision? No

Designation as Business Entity: If the Contractor has a business license or business certificate, or is a corporation, nonprofit organization, or school district, select "No" from the dropdown. (This does not pertain to professional licenses or certificates such as a license for a physician or architect.)
Enter below the business license number and the city/entity where issued. No

Bus Lic. # 3386131210 **Issued by:** City of San Jose

Payment Schedule: Will payments be made either as an hourly wage or as weekly/monthly salary? If payment is by commission or based on project milestones or deliverables, answer "NO" to this question. Be sure this answer matches the contract payment schedule in Section V. Yes

Support Services: Will County employees or other independent contractors provide assistance to this Contractor? Assistance is defined as clerical, technical or professional support. Yes

If at least 5 of the above questions were answered "NO", Contractor is an **Independent Contractor**. ✓

If 5 or more of the above questions were answered "YES", Contractor is a **Dependent Contractor**, where the relationship resembles that of employer/employee. Tax withholding is required and benefits are provided. Complete and attach the following forms: Employee's Withholding Allowance Certificate—Federal Form W-4, State Withholding, Form DE-4, Determining PERS Eligibility and PERS Member Action Request. Visit www.oba for more information regarding Dependent Contractors. County insurance requirements do not apply to Dependent Contractors.

Contractor understands and agrees that the tax withholding and benefit status checked above is correct. Any changes to the contractor's tax withholding and benefit status require a new contract. Contractor is responsible for any penalties and liabilities assessed by any taxing authority, based on a change of tax withholding and benefit status.

COUNTY OF SANTA CLARA – SERVICE AGREEMENT

C. PERFORMANCE STANDARDS

Performance will be measured through review of work products, including complete and incomplete applications, approach to projects, communication with staff, and by the success of the proposals garnering grant awards on behalf of the County and its programs/projects (taking into consideration variables over which Contractor has no control).

Contractor will report monthly as part of invoice process a report on deliverables and work performed over the past month and, to the fullest extent possible, a listing of anticipated work and deliverables for the coming month. This will include a percentage breakdown of hours by departments for which the work benefits as well as those which have county-wide fiscal benefit.

If the disclosure provisions of the Political Reform Act are applicable to any individual providing service under this Agreement, Contractor shall, upon execution of this Agreement, provide the County with the names, description of individual duties to be performed, and email addresses of all individuals, including but not limited to Contractor's employees, agents and subcontractors, that could be substantively involved in "making a governmental decision" or "serving in a staff capacity and in that capacity participating in making governmental decisions or performing duties that would be performed by an individual in a designated position," (2 CCR 18701(a)(2)), as part of Contractor's service to the County under this Agreement. Contractor shall immediately notify the County of the names and email addresses of any additional individuals later assigned to provide such service to the County under this Agreement in such a capacity. Contractor shall immediately notify the County of the names of individuals working in such a capacity who, during the course of the Agreement, end their service to the County.

If the disclosure provisions of the Political Reform Act are applicable to any individual providing service under this Agreement, Contractor shall ensure that all such individuals identified pursuant to this section understand that they are subject to the Act and shall conform to all requirements of the Act and other laws and regulations listed in subsection (A) including, as required, filing of Statements of Economic Interests within 30 days of commencing service pursuant to this Agreement, annually by April 1, and within 30 days of their termination of service pursuant to this Agreement.

M. CONTRACTING PRINCIPLES

All entities that contract with the County to provide services where the contract value is \$100,000 or more per budget unit per fiscal year and/or as otherwise directed by the Board, shall be fiscally responsible entities and shall treat their employees fairly. N. CALIFORNIA PUBLIC RECORDS ACT

All proposals become the property of the County, which is a public agency subject to the disclosure requirements of the California Public Records Act (“CPRA”). If Contractor proprietary information is contained in documents submitted to County, and Contractor claims that such information falls within one or more CPRA exemptions, Contractor must clearly mark such information “CONFIDENTIAL AND PROPRIETARY,” and identify the specific lines containing the information. In the event of a request for such information, the County will make best efforts to provide notice to Contractor prior to such disclosure. If Contractor contends that any documents are exempt from the CPRA and wishes to prevent disclosure, it is required to obtain a protective order, injunctive relief or other appropriate remedy from a court of law in Santa Clara County before the County responds to the CPRA request. If Contractor fails to obtain such a remedy before the County responds to the CPRA request, County may disclose the requested information.

Contractor further agrees that it shall defend, indemnify and hold County harmless against any claim, action or litigation (including but not limited to all judgments, costs, fees, and attorney’s fees) that may result from denial by County of a CPRA request for information arising from any representation, or any action (or inaction), by the Contractor.

O. THIRD PARTY BENEFICIARIES

This agreement does not, and is not intended to, confer any rights or remedies upon any person or entity other than the parties.

For purposes of this Agreement, the term “Deliverables” shall mean any documentation and deliverables created by Contractor during the performance of services that are identified in this Agreement. Contractor acknowledges that all original works of authorship which are made by Contractor (either solely or jointly with others) within the scope of this Agreement and which are protectable by copyright are “works made for hire,” as that term is defined in the United States Copyright Act (17 U.S.C. Section 101), and shall belong solely to County. Contractor agrees that the County will be the copyright owner in all copyrightable works of every kind and description created or delivered by Contractor, either solely or jointly with others, in connection with any agreement with the County.

COUNTY OF SANTA CLARA – SERVICE AGREEMENT

Contractor represents and warrants for the benefit of the County and its users that, to its knowledge, as of the effective date of this Agreement, Contractor is the exclusive owner of all rights, title and interest in the Deliverables and/or services provided pursuant to this Agreement. Contractor shall defend, indemnify and hold the County harmless against any claim, action or litigation (including but not limited to all judgments, costs, fees, and reasonable attorney's fees) by a third party alleging the Deliverables and/or services provided pursuant to this Agreement infringe upon any intellectual property rights of third parties. This indemnity and duty to defend is in addition to and does not supersede the requirements stated in VII of this agreement.

R. OWNERSHIP RIGHTS TO MATERIALS / RESTRICTIONS ON USE

All materials obtained, developed or prepared by Contractor in the course of performing services hereunder, including but not limited to videotapes, audio recordings, still photographs, ads or brochures, and the derivative works, patent, copyright, trademark, trade secret or other proprietary rights associated therewith (collectively "Deliverables"), shall be the sole and exclusive property of the County. To the extent Contractor owns or claims ownership rights to said Deliverables, Contractor hereby expressly assigns all said rights, title, and interest in and to the Deliverables to the County pursuant to the terms and conditions of this Agreement and at no additional cost. The County has the exclusive royalty-free irrevocable right to duplicate, publish or otherwise use for any purpose, all materials prepared under this Agreement. If Contractor wishes to use the materials prepared hereunder for any purpose including but not limited to promotional, educational or commercial purposes, the Contractor shall obtain prior written authorization from the County, which consent may be withheld by the County in its sole discretion. Contractor acknowledges that all original works of authorship which are made by Contractor (solely or jointly with others) within the scope of this Agreement and which are protectable by copyright are "works made for hire," as that term is defined in the United States Copyright Act (17 U.S.C., Section 101), and shall belong solely to County. Contractor agrees that the County will be the copyright owner in all copyrightable works of every kind and description created or developed by Contractor, solely or jointly with others, in connection with any agreement with the County. If requested to, and at no further expense to the County, Contractor will execute in writing any acknowledgments or assignments of copyright ownership of such copyrightable works as may be appropriate for preservation of the worldwide ownership in the County and its nominees of such copyrights. This section shall apply to the extent not otherwise provided under this agreement.

Contractor shall be responsible for establishing and maintaining an information security program that is designed to ensure the security and confidentiality of County Data, protect against any anticipated threats or hazards to the security or integrity of County Data, protect against unauthorized access to or use of County Data that could result in substantial harm or inconvenience to County or any end users; and ensure the proper disposal of County data upon termination of this Agreement. Contractor shall take appropriate action to address any incident of unauthorized access to County Data, including addressing and/or remedying the issue that resulted in such unauthorized access, notifying County as soon as possible of any incident of unauthorized access to County Data, or any other breach in Contractor's security that materially affects County or end users; and be responsible for ensuring compliance by its officers, employees, agents, and subcontractors with the confidentiality provisions hereof. Should confidential and/or legally protected County Data be divulged to unauthorized third parties, Contractor shall comply with all applicable federal and state laws and regulations, including but not limited to California Civil Code Sections 1798.29 and 1798.82 at Contractor's sole expense (if applicable). 2. The County acknowledges that some insurance requirements contained in this Agreement may be fulfilled by self-insurance on the part of the Contractor. However, this shall not in any way limit liabilities assumed by the Contractor under this Agreement. Any self-insurance shall be approved in writing by the County upon satisfactory evidence of financial capacity. Contractor's obligation hereunder may be satisfied in whole or in part by adequately funded self-insurance programs or self-insurance retentions.
3. Should any of the work under this Agreement be sublet, the Contractor shall require each of its subcontractors of any tier to carry the aforementioned coverages, or Contractor may insure subcontractors under its own policies.

F. Fidelity Bonds (Required only if contractor will be receiving advanced funds or payments)

Before receiving compensation under this Agreement, Contractor will furnish County with evidence that all officials, employees, and agents handling or having access to funds received or disbursed under this Agreement, or authorized to sign or countersign checks, are covered by a BLANKET FIDELITY BOND in an amount of AT LEAST fifteen percent (15%) of the maximum financial obligation of the County cited herein. If such bond is canceled or reduced, Contractor will notify County immediately, and County may withhold further payment to Contractor until proper coverage has been obtained. Failure to give such notice may be cause for termination of this Agreement, at the option of County.
